## SHERMAN KNOWS OF NOMINATION VICE PRESIDENT

FORMAL NOTIFICATION TOOK PLACE YESTERDAY.

## SUTHERLAND'S SPEECH

Utah Senator Denounced and Ridiculed the New Progressive Party. "Which Was Roosevelt."

UTICA, N. Y., Aug. 27.—Vice President Sherman's formal notification of his nomination by the republican national convention took place here today and was made the occasion for a big demonstration. The ceremony was held in the Utica Convention hall, where a vast crowd assembled and listened to the notification address by Senator Sutherland of Utah and the acceptance speech of Mr. Sherman.

Senator Sutherland of Utah was the spokesman for the committee which today notified Vice President James Sherman of his nomination by the Chicago republican convention.

Most of Senator Sutherland's speech was from a short declaration of principles of the republican party and a tribute to Mr. Sherman, was composed of eulogistic references to the Progressive party and its recent convention which nominated Colonel Roosevelt and Governor Hiram Johnson for president and vice president.

"We shall have accepted against us in the coming campaign our ancient and hereditary enemy, the democratic party," said he. "In addition we shall be called upon to contend with some former associates who have concluded to abandon their amiable custom of fighting upon the flag they have been following, in order that they may engage in the more honorable, but no more of feudal, occupation of assaulting it from the front."

Voices of the Malcontent.  
"For the next few months our ears are to be filled with the voice of the malcontent, strident and noisy-voiced." (Continued on Page 2)

## NEGRO BUSINESS MEN CONVENE IN CHICAGO

Over 2,000 Delegates Attending 13th Annual Session—Some Rated at Millions.

CHICAGO, Ill., Aug. 27.—The thirteenth annual session of the National Negro Business League convened here today, with over 2,000 delegates attending, representing all parts of the country. During the sessions the delegates will tell of the success they have made as business men. Among them are bankers, merchants, real estate men, wheel growers, commission merchants, and lawyers, physicians and men in almost every conceivable branch of business. Some of the delegates are rated as millionaires. Banker T. Washington is president of the national association.

As an auxiliary to the National Negro Business League, the National Negro Bar Association began its second annual convention here today. One of the chief subjects of discussion will be the difficulty of negro lawyers to get before some of the courts of the country in behalf of their clients and secure impartial judgments. They will also discuss the prejudice against negro jurors and the attempt of the American Bar Association to force from its membership Wm. H. Lewis of Boston, the negro assistant attorney general of the United States.

A. B. I. AT SALT LAKE.  
SALT LAKE, Utah, Aug. 27.—The national convention of the American Banking Institute of Banking, which began here today is the largest in the history of the association. It will last three days, during which addresses on subjects of interest to the institute will be discussed by prominent men.

It was hoped to have President Taft address the convention, but he is detained at Washington on official business and has made it plain that he will not make addresses during the campaign.

Extensive plans have been made for the entertainment of the delegates, including night-viewing trips.

ANTHONY, Kans., Aug. 27.—Governor W. R. Snider will be the principal speaker at the Marshall county old settlers reunion which began here today, and it is expected that he will take advantage of the opportunity to boost Federal Roosevelt for the presidency and talk of his own plans for improving the United States schools. He apparently got the decision over Senator George in the senatorial contest.

## BRAMMEL BOOTH NOW COMMANDER SALVATION ARMY

TESTAMENT OF LATE GEN. WM. BOOTH OPENED YESTERDAY.

## SUCCESSION ACCEPTED

Gen. Wm. Booth's Funeral Takes Place August 28—to Be Buried at Abby Park Cemetery.

LONDON, Eng., Aug. 27.—In the presence of the Salvation Army commissioners, the testament of General William Booth, appointing his son, Brammel Booth, commander in chief in succession to him, was opened today and read. Brammel Booth accepted the succession formally with much feeling.

His speech and prayer and scriptural reading was followed by an impressive service.

General Booth's funeral takes place on August 28, at Abby Park Cemetery, in Stoke Newington, where his wife is buried.

TAFT SENDS CONDOLENCE.  
(By the Associated Press.) WASHINGTON, D. C., Aug. 27.—President Taft sent a message of condolence today in memorial to Gen. Wm. Booth of the Salvation Army, who died in London last night.

## SECRETARY KNOX SAILS FOR JAPAN

Will Be Representative of Pres. Taft at Funeral of the Mikado on September 12.

SEATTLE, Wash., Aug. 27.—Secretary of State Knox, accompanied by his naval and military escorts, sailed from here today aboard the armored cruiser Maryland for Japan, where he will be the representative of President Taft at the funeral of the Mikado, to take place September 12. Mr. Knox is due to arrive in Yokohama on September 19, where he will be joined by Brigadier General John J. Pershing, commanding the department of the Philippines, Philippine, who has been assigned military affairs of the embassy.

Mr. Knox denies that he will enter into any diplomatic intercourse. He says that it would be highly inappropriate at such a time and his going to Japan is an earnest of the good relations existing between the United States and Japan.

On the other hand the Japanese government declares that the honors of Mr. Knox bearing important diplomatic messages must be accepted as unique, for he represents an administration that may or may not be continued after March 3, 1913.

## BANKS IN INTERIOR FEEL MONEY DEMAND

KANSAS CITY, Mo., Aug. 27.—Reports received from the banks of the interior of the State say that those institutions are feeling the call for money with which to meet the crops. What is coming to market freely, despite the price, which the farmers consider low. The early selling of wheat is having a good effect on collections and merchants who have been carrying their farmer customers through the spring and summer are beginning able to refund themselves to the better conditions.

Many of the interior counties will have larger total returns from the fields than in several years. This will come from the mixed farming methods used and the better yields. It should have a good effect on trade and merchants who go to market for their supplies, starting off earlier than usual, and with plans for liberal buying.

## ABILENE, KANSAS BANK DEFAULTER ARRESTED IN N. Y.

JOHN A. FLACK, FORMER CASHIER ADMITS IDENTITY.

## MISSING SINCE 1910

Admitted Shortage of More Than \$55,000—Lost Nerve and Made Land Speculations.

NEW YORK, Aug. 27.—John A. Flack, defaulting cashier of the Abilene State Bank, of Abilene, Kansas, was arrested here this afternoon. Flack admitted his identity and expressed a desire to return to Abilene and stand trial. The shortage, he admits, was more than \$55,000. He has been missing since September, 1910.

Flack said he had no excuses to offer. "I did what I knew was wrong. I lost my nerve at the wrong moment and now there is nothing left for me to do but to take my medicine."

He attributed his downfall to the "hard fever" and took the bank's funds, he said, to purchase "sure things" in real estate which later turned out being propositions.

## WM. J. FLYNN WILL ASSIST ALDERMEN

U. S. Secret Service Officer to Work on Investigation of Alleged N. Y. Police Graft.

(By the Associated Press.) WASHINGTON, D. C., Aug. 27.—It was learned today that William J. Flynn, chief of the New York Division of the United States secret service, plans to resign temporarily to assist the committee of New York aldermen in their investigation of the police conditions revealed by the scandal growing out of the assassination of Secretary MacVane of the treasury department. This assignment will assist MacVane's plans to appoint Flynn chief of the secret service, to succeed John J. Wilkie, now supervising special agent of customs. The aldermen will probably not be filled at this time.

## MAY ASK BRAZIL'S AID

LONDON, Aug. 27.—The Portuguese cabinet will consider today the advisability of asking the government of Brazil to prevent the establishment of further permanent headquarters in Rio Janeiro for the revolutionary movement. Recently Portuguese Republicans have been emigrating to Brazil in large numbers. Many of the emigrants being priests.

The government declares now that the clergy in Portugal are mainly responsible for the royalist movement and intimates that no treaty will be shown to priests suspected of condoning hostile to the government. There are over 400, now in the jails of Portugal. Death or deportation will be the fate of all recalcitrant clerics, it is declared.

## AGREE TO AMENDMENT

Settlement to Legislative, Executive and Judicial Appropriation Bill—Adjournment May Be Settled.

(By the Associated Press.) WASHINGTON, D. C., Aug. 27.—For the third time the house today passed the legislative, executive and judicial appropriation bill over the veto of President Taft by a vote of 194 to 62, but the senate an effort to pass it failed by a vote of 34 to 27.

## PENROSE REPLIED TO CHARGES IN SPEECH

DISCUSSED CAMPAIGN CONTRIBUTIONS IN 1904—SCORED WILLIAM FLINN, A ROOSEVELT LEADER, SAYING FLINN OFFERED 'ONE MILLION OR TWO' FOR FAVORING SEAT IN SENATE

WASHINGTON, D. C., Aug. 27.—In a careful, deliberate speech in the senate today Senator Penrose of Pennsylvania replied to the charges regarding a certificate of deposit for \$25,000 sent him by John D. Archbold of the Standard Oil Company in 1904.

Penrose admitted receiving that sum from Archbold and asserted that it was part of a contribution of \$25,000, which, he said, went to the republican national campaign fund, \$100,000 of which he said went to the republican national committee and \$25,000 to himself for use in Pennsylvania. Roosevelt was advised of the contribution, Penrose declared, and said later that Cornelius N. Bliss, then treasurer of the national committee, asked for another contribution of \$100,000 from Archbold and his associates interested in the Standard Oil Company.

"The demand was urgent, insistent and I may say imperative, and it was represented to have come direct from President Roosevelt," declared Penrose, forcefully.

William Flinn, Roosevelt's leader in Pennsylvania, was scored by Penrose today. He charged that in 1904 Flinn offered to him and Israel W. Durbin, "one million or two million," if they would favor his candidacy to the senate. Penrose showed what he purport to be telegrams to show that Flinn asked Archbold to assist him in being elected.

Penrose also attacked E. A. Vanvalkenburg, editor of the Philadelphia North American, and referred to the "effrontery, hypocrisy and unscrupulousness of the Vanvalkenburg-Flinn combination."

Senator Blaine asked Penrose if he knew anything of the contribution of E. H. Harriman to the 1904 republican campaign funds. He said papers were on file which he thought would come to light during the campaign and it be "very beneficial to the country if they became public. I think the time has come when charges should be met and the American people be no longer gullible by answers which instruct another man in a liar."

Penrose had a check read in newspaper interview with Roosevelt in which the latter is quoted as saying that Penrose had nothing to do with the presidential campaign of 1904. The senator said he was a member of the national committee, chairman of the Pennsylvania State committee, and conducted the Pennsylvania campaign.

"Mr. President, is this gratitude, mendacity or political aspect?" he demanded.

Senator Calhoun, seeing the psychological opportunity, called up his bill forbidding campaign contributions by corporations and limiting the amount contributed by individuals to \$5,000. A filibuster developed and after 38 senators forced half a dozen roll calls, the senate was forced to adjourn.

Penrose promised further disclosures.

## DECLARES PENROSE IS A CORRUPTIONIST

Both Flinn and Vanvalkenburg Deny Charges of Pennsylvania Senator.—Counter Charges.

(By the Associated Press.) PHILADELPHIA, Pa., Aug. 27.—W. A. Flinn, in replying to the assertions of Senator Penrose today, denies generally the assertions of Penrose with reference to him, and declares he never asked Penrose or Durbin to support him in the senatorial race in 1904, and briefly denounces the Pennsylvania senator.

E. A. Vanvalkenburg, editor of the Philadelphia North American, in a statement declares "Senator Penrose's evident purpose in bringing my name into his statement before the senate is to forestall the presentation of evidence in possession of the North American that he is a briber and corruptionist, such as has not been reported in public life in this county in recent years."

Mr. Penrose and his allies and the entire crowd are seeking publicans and crooked financiers who have attempted to make these attacks upon me," said Roosevelt. "They have made them, not only knowing they are false, but because they are false and because they know the forces which created politicians and crooked financiers have really to fear."
